Website edition

RCB Africans (Pty) Ltd
Richards Bay, KwaZulu-Natal

Incorporated
Early 2022

Ownership
100% black-owned

Overview

- RCB Africans (Pty) Ltd is a fully black-owned company incorporated in early 2022, with its principal operations based in Richards Bay, KwaZulu-Natal. The company is strategically positioned to pursue opportunities across multiple sectors and geographic regions.
- Our core service offerings include cargo handling, mining support services, tally management, industrial cleaning, transportation (trucking), storage solutions, earthmoving, and the supply of heavy-duty equipment. These services are delivered through structured, efficient, and compliant operational processes designed to meet client specifications and industry standards.
- RCB Africans is committed to providing innovative, reliable, and cost-effective solutions through the application of modern technology and best-practice methodologies.
- Furthermore, the company is dedicated to advancing Broad-Based Black Economic Empowerment (B-BBEE) objectives by promoting skills development, job creation, and meaningful participation of historically disadvantaged individuals in the economy.

Vision

To become a leading service provider across multiple industries, recognized for innovation, reliability, and excellence.
